

COBBLESTONE TW|SQ|REC 6CM

PRODUCT NUMBER # 423

- Deeply rounded surfaces combine to create the enduring appeal of stone cobbles formed by glaciers and set by hand
- Designed to be installed in a random runner or ashlar pattern, with stones of various, modulating lengths and widths
- Suitable for medium vehicular applications, such as residential streets and commercial parking lots, with proper pavement design and installation
- Joints and surfaces are designed to create a natural look, minimize furniture wobble, and meet ADA gap and lippage requirements
- Made of durable concrete that won't decay, distort, or attract pests. Iron oxide pigments won't fade with extended UV exposure. Meets or exceeds applicable requirements of ASTM C936 and C1782

The CobbleStone series features rounded shapes, surfaces, and edges which recall the timeless appeal of stones worn smooth by glaciers. CobbleStone pavers may be installed in efficient random runner and ashlar patterns, but the barreled sides of CobbleStone - also available in a Circle Pack - make it particularly well-suited for decorative curvilinear installations to create the aesthetic of historical Old World pavements.

STONE(S)

			Twinkie	Square	Rec
